Response to First Action Final Official Action

Sir:

Remarks

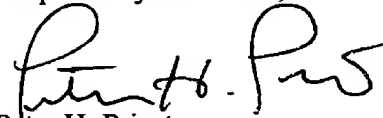

This response replies to the first action Final Official Action mailed December 1, 2004. In that Action, all of the presently pending claims were rejected under 35 U.S.C. §103(a) based on various combinations of art, all of which include Reger et al. U.S. Patent No. 6,643,843 (Reger).

With regard to these 35 U.S.C. §103(a) rejections based on combinations of art including Reger, the Applicant is filing a Showing of Common Ownership in conjunction with this

Appl. No. 09/960,595
Amdt. dated January 19, 2005
Reply to Office Action of December 1, 2004

response. This showing serves to exclude Reger as prior art under 35 U.S.C. 102(e), and thus, 35 U.S.C. 103(a). Consequently, Reger is not "prior" art and the present application should be promptly allowed.

Respectfully submitted,
